Clary Appointed to Advisory Board

Heritage Clubs International (HCI) has announced that Sheila Clary, Classic Club Director for Central Bank Illinois in Geneseo, has been elected to a three-year term on their Advisory Board. HCI is an association of more than 200 bank clubs located in 33 states across the country.

As a member of the Heritage Clubs Advisory Board, Sheila will work with eight other bank club directors providing leadership for the HCI annual meeting and year-round advocacy for their peers. Advisory Board members are elected by their peers, and are well-experienced club directors who have earned the confidence of the HCI broad membership.

“Heritage Clubs is a network of peers in the bank club industry and I look forward to serving as a leader to this network,” Clary said. “It is an honor to be recognized by my peers for my successes and elected to share my experiences with our membership.”
