Central Bank Pledges \$50,000

Central Bank Illinois has pledged \$50,000.00 towards Hammond Henry Hospital's "Designed to be Patient Kind" campaign. John DuBois, Central Bank President & CEO stated, "Our bank is pleased to provide support towards the hospital's project which is designed to provide the best level of care to patients and our communities. As a community bank it is our responsibility to support projects which enrich the quality of life for our customers and the market areas we serve. We are proud to support Hammond Henry with this campaign."

In recognition of Central Bank's \$50,000.00 donation, the bank has selected to name the Admitting Area. The new admitting area will provide convenient patient access to specialty physicians, the diagnostic center, new dialysis center, and other patient and guest services.
