**Day #1** | We're off on our adventure to beautiful Door County, Wisconsin. Home to 5 state parks, 12 lighthouses, numerous cherry and apple orchards, 5 wineries and an abundance of beautiful scenery, Door County has become one of most popular tourist destinations in the United States. On our way we stop in Green Bay Wisconsin for a lunch on your own. After our lunch we travel north to **Door County Maritime Museum**. See Door County like never before! Located along Sturgeon Bay's working waterfront, the Door County Maritime Museum showcases the area's rich maritime roots. The museum features interactive exhibits, and galleries... Where Great Lakes maritime history comes alive! After the museum we check into the **Settlement Courtyard Inn & Lavender Spa**. Escape to an Inn featuring all the luxury in accommodations you could want, situated in a serene, rich natural setting. After relaxing and freshening up in your room, we head to an included **dinner at The Log Den**. This entirely custom constructed 10,000 square foot restaurant was designed and built by the Lautenbach family, locals of the Egg Harbor township for five generations. With an atmosphere like no other, and a savory menu, it's sure to be a one-of-a-kind Door County experience. (D)

**Day #2** | Enjoy a **continental breakfast** at the inn this morning. After breakfast we **hop aboard an 'Old Time' Trolley that will navigate us to Door County's most treasured lighthouses**, including; Eagle Bluff Lighthouse, Cana Island Lighthouse (if causeway accessible), and Bailey's Harbor Range Lights. You will enjoy guided tours at these majestic landmarks, tucked away in the Peninsula's hidden bays and coves. **A made to order box lunch with beverage is included!** After the lighthouse tour you will have some **shopping time downtown Fish Creek**. The unique variety of locally-owned-and-operated stores throughout this walkable, charming town provide a personalized shopping experience. After shopping, we head back to the Inn to freshen up for a **traditional Door County Fish Boil at The Old Post Office**. This historic southern looking mansion with its white, newly restored building that was home to Ephraim's post office in the early 1900's. You will get a front row seat to experience a traditional fish boil and enjoy a dinner after immediately following the live boil, including steaks of morning caught whitefish, and more! (B, L, D)

**Day #3** | Start your morning with a **continental breakfast** at the hotel before we begin another day of touring, this time we head North to **Seaquist Orchards**. In the early 1900's, Anders Seaquist planted his first cherry trees. Today, our family has continued the tradition of growing fruit. After the orchard we stop at **Koepsel's Farm Market**. Since 1958, this farm market is a "must stop" for anyone visiting Door County! The market includes home-made jams, jellies, fruit butters and canned goods, as well as fresh bakery items, meats, smoked fish, cheeses, fresh vegetables & fruits, and Door County wood fire cooked maple syrups. **Lunch today will be at Al Johnson's Swedish Restaurant**. Not only is the food fantastic but the goats grazing on the sod roof make it a delightful stop for all ages. After lunch we head across the street to **Sister Bay Scenic Boat Tours** for a 1 ¾ hour insightful tour along the shores of Green Bay towards Peninsula State Park's 145-year-old Eagle Bluff Lighthouse. You will also learn about the rich history of the area, see a millionaire's estate on Horseshoe Island, get up close and personal to view Eagle Cave and hear stories of French Explorers and early Indian inhabitants at Nicolet Bay. Our last night in Door County has us enjoying a **BBQ Rib or Prime Rib dinner at the English Inn** followed by an evening of entertainment at the **Peninsula Players Theatre**, America's oldest professional summer theater. The gardens are beautiful if you want to take a stroll before the show, watch the sunset or have a beer in the garden. Be sure to bring your jacket as the theater is covered but not enclosed. You will also have a chance to stop at **Door County Candle Company** for candle dipping and shopping, as well as the Door County Coffee & Tea Company. As we travel further South, we stop at the **Renard's Cheese store** in Sturgeon Bay. Renard's features a wide variety of artisan cheese, famous tasty cheese curds, complimentary wine and cheese tasting, and specialty foods from throughout the Door County area.
