We want to “take you out to the ball game” on July 28, 2019 to Miller Park in Milwaukee WI. Summer would not be the same without watching your local baseball team battle against their rivals in an American favorite pastime. It’s time to let us do the driving and parking so you can sit back and relax while enjoying the game between the Chicago Cubs and the Milwaukee Brewers.

Our motor coach allows travel with a small cooler with snacks and drinks, but please do keep in mind there are “no alcoholic beverages” and “no glass containers” rules.

Come CHEER with us and partake in the fun-filled day at the ball park with your Classic Club friends! This trip fills fast, so remember to use the wait list once the coach is filled. Don’t be slow to the plate!
